Dear Sir:

1. The owner, James E. Selis, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory terms of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 11/150,666, filed on June 10, 2005.
